

## Dear Parents and Pupils

You will be delighted to know that we had an excellent inspection last week. I look forward to sharing the detail of what will be a glowing report. The publication date is scheduled for the week beginning 20 November 2011 and this is with the Independent Schools Inspectorate. A full copy of the report will be sent to you.

Everyone played their part and I am deeply grateful for such outstanding support. The whole inspection team loved the school and were so taken by the spirit, enthusiasm, attitude to work and manners of all our pupils. I know what a privilege it is working here day by day but to have such a resounding appreciation and acknowledgement of what we do here is so important.

On Wednesday evening I was privileged to watch a performance of 'Hamlet' in the Drill Hall by our Prep School in the Shakespeare Schools Festival. It was an extraordinary performance at the highest level and it was such a joy to be able to share in something so special.

This weekend our Chamber Choir is singing in Westminster Abbey and next Wednesday, our Choristers sing the live broadcast on Radio 3 of Choral Evensong at 3.30pm. Sport, drama and so many other happenings, as well as the focus on academic progress make our school an extremely busy place.

With very best wishes.

They are funded almost entirely through the generous voluntary donations of their supporters.

# Michaelmas Sports Reports

## Lincoln Minster School U13XV

5 - 36

## Bourne Grammar School U13XV

(HT 0-24)

Despite the score line, this was a good game of rugby in which the LMS team came back strongly in the second half and ended up giving a good account of themselves. Team cohesion was a factor during the match as only 13 players were able to turn out and our team was 'topped-up' by the opposition. The under 13's continued to play their traditional open, running and passing game against a much larger Bourne side. This tactic resulted in LMS scoring the try of the day through Mitchell Bailes. Poor tackling was a major factor in many of the tries that Bourne scored and this, despite the size of the opposition, remains, with a few exceptions, an area of weakness in the teams' overall performance.

Mr C Dykes [Coach](#)

## Worksop College U14 XV

10 - 26

## Lincoln Minster School U14

(HT 5-12)

Due to a couple of late withdrawals through illness and injury only fifteen U14 players travelled to Worksop on Saturday. But what a 15 they were! Despite the pouring rain during the warm up, the boys were committed from the start, tackling well and making very few handling errors despite the slippery ball. We scored two breakaway tries in the first half through Jordan and Ryan Olowofela, both owing a great deal to pace and skilful kicking of a loose ball. Worksop only scored one try in the first half despite their greater territorial advantage. We dominated the second half, with the highlight being an individual try from Sam Haywood, running through the whole Worksop team from inside his own 22 yard line. A tremendous effort from the whole team, and a particular thank you to the players who interrupted their weekend at Centre Parcs to play.

## Lincoln Minster School U16XIII

7 - 50

## Bourne Grammar School U16XIII

(HT 7-21)

The Under 16s played their first Saturday rugby match of the season following their highly successful Italian Rugby tour during October half-term. The match was definitely a 'game of two halves' to borrow a football phrase. Although several key players were unavailable due to injury, including Fly-Half Piers Lamb and Centre Kieran Huggan, the team were still confident of a good performance. However, when the Bourne team arrived with only thirteen players, tactics had to be drastically altered. The game as a consequence was very open with lots of space on the wings.....very sevens-like. Unfortunately Bourne and Kings School are experts in Rugby Sevens. The fixture started well with the Minster Crusaders battling for every breakdown. Unfortunately, as we were playing with no flankers, most collisions were unsupported leading to many turn-overs. The Minster team did manage to secure their line-out and scrums were uncontested. Player of the match Ben Green and Captain Kieran Meehan made excellent direct runs, leading the forwards well. Kieran made it his mission that the Bourne Number 8 and Captain would not make any successful pick-ups from the base of the scrum and he achieved it well. The first half ended three tries to one; however, Ralph Thacker made an excellent 20m run to be brought down inches from the line and several backs opportunities were missed through poor passing. With these facts in mind the half-time team talk was optimistic. However, although the team tried their best, the backs passing did not get any better, in fact the team were camped on the Bourne 22m line for 20minutes, but could not string two quality passes together with any real quality. The team were disappointed not to have played better, but are determined to put matters right when they play Doncaster Hallcross School in the last fixture of the season.

[Mr R Wenban](#), Coach

## Worksop College U15(B)XV

39 - 22

## Lincoln Minster School U15XV

(HT 27-7)

On a cold and drizzly Saturday afternoon the core of the U15 XV turned out to play the best Rugby of the season so far. The first half saw the Worksop team snuff out plenty of opportunities by aggressive counter rucking that disrupted a lot of second and third phase possession. A succession of quick tap penalties and excellent handling from Ryan Lormor and Freddie Strawson gifted Declan Wolverson an excellent opportunity to score from the wing. The second half, with Declan moving to scrum half and more determination to move the ball away from contact led to 20 minutes of controlled and sustained pressure on the Worksop team that resulted in 3 tries being scored in the last 10 minutes of the half. All of the tries came from effective passing in the back line and good lines of running. A spirited performance, that with a full strength team could have resulted in even more.

[Mr T Hill](#), Coach

## Lincoln Minster School U12XV

31 - 36

## Hull Collegiate School U12XV

A great second half fight back as some self-belief started to flow through the team, led to a very close final score. In the first half the boys were a bit hesitant in the face of some very committed opposition and this coupled with some broken tackles led to the boys being 24 - 5 down at the interval. In the second half the boys managed to play their rugby on the front foot and started to drive at the opposition. This linked to some excellent support play meant that LMS managed to dominate for long periods. They scored four tries in the second half, three by James Sprague and one by Bill Briggs-Price to add to the try scored by Alistair Moss in the first half. A great comeback and credit to all the boys for their attitude during the match.

[Mr Kirkwood](#), Coach

## Lincoln Minster School U12XI

50 - 17

## Orchard House School U12XI

Following on from their fine performance on Saturday the boys started in a much more positive vein and attacked with intent right from the start. This led to some early tries for the team and they didn't let up throughout the match. The forwards laid the platform by providing quality ball and the backs ran at pace and supported each other. Once we were comfortably ahead we made a number of changes so that everyone who was part of the team could make a contribution. The boys that came off the field could see for themselves what a difference it makes if they tackle low around the legs! A very good effort but there are still some areas that we need to work on as against stronger opposition the boys will not be afforded so much time on the ball. We look forward to the next match.

This match was incredibly one-sided from the kick off. Within five minutes Sam Haywood had made one of his trademark wide pacey runs to score and both Ryan and Jordan Olowofela were carving the Kirkstone defensive line at will. William Lake made his debut at Fly-Half and had an exceptional game. The U14 back-line is now quite impressive. With such dominance the coach insisted that the backs had to be more creative and they did not fail to impress. At one stage there were ten phases and multiple loops, switch passes and missed passes, culminating in William Wood scoring in the corner. In order to stem the avalanche the coach moved players around and took off Sam Haywood....this only meant that Oliver Bourne, Kitz Bagley and Liam Payne had a chance to score. Overall a good training game, hopefully the boys can take the moves into Saturday's closer match vs Spalding Grammar School. Cameron Elliot was the Player of the match for joining the line and making some excellent direct runs.
