

## Lincoln Minster School Academic Performance Statement

*Details of the current and previous years' GCE and GCSE Examination results are available on the website; to parents of current pupils in the Principal's letter at the start of the academic year, and provided to prospective parents with their information pack.*

'Lincoln Minster School aims to educate young people to the highest academic standard of which they are capable' (Mission Statement)

Lincoln Minster School is not a selective school. We welcome pupils with a wide range of abilities and our aim is to bring out the 'best in every one'.

We are proud of our results, which qualify our students to move on to their next phase in life, usually, but not exclusively, a place at university and then onto a successful and rewarding career.

### A Level Results: An outstanding set of results in 2011

The whole school community at Lincoln Minster School is delighted with an outstanding set of A-level results in 2011.

14% of the A levels awarded were at A\*, 47% were at A\*-A, and 69% A\*-B. The pass rate A\*-E was 98% in 2011.

- A\* - E 98%

Clive Rickart, Principal of Lincoln Minster School commented: "These terrific results are a result of the hard work and commitment of our students coupled with outstanding teaching. There is a desire to do well and a commitment to each student. We are non-selective in our intake and as such this level of performance is even more remarkable. Congratulations to all involved".

## Well done for a wonderful achievement at GCSE level

Our whole school community is celebrating the wonderful GCSE results we have seen this year. Congratulations to pupils, teachers, parents and friends in achieving so much. Hard work, commitment, excellent teaching and significant support from home really does make a difference.

Our GCSE results are our best on record with grades A\*-C at 97% and A\*-A grades at 46%.

100% of pupils gained five A\*-C passes and the pass rate A\*-C was 98% in Mathematics and 96% in English.

It is worth dwelling on the fact that this is a remarkable achievement given that this is a truly non-selective intake.
