

**Lincoln Minster School**  
The best in everyone™

# Co-Curricular Clubs

## Michaelmas Term

# Co-curricular

## Driving passion through clubs and activities

At Lincoln Minster School, we are proud of our wide range of co-curricular clubs and activities available for all students. With over 60 clubs, we dedicate up to an hour every day, which is fully integrated within the school day. As well as activities both before and after lessons.

These activities provide pupils with the opportunity to pursue a passion, explore their interests, stretch their imagination and develop new skills.

# Arts & Creative

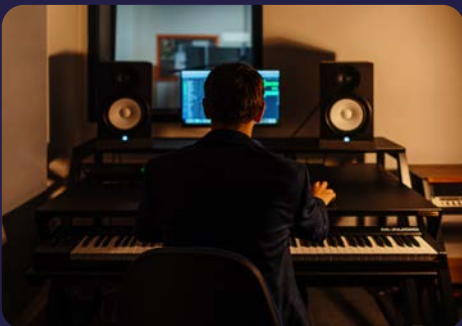

## Art Therapy

If you enjoy expressing yourself through art, this club gives you space to relax and be creative. It's also a great way to boost your wellbeing and build confidence.

## Senior School Choir

Love singing? Join the choir to explore different music styles, perform at events, and be part of a supportive musical team.

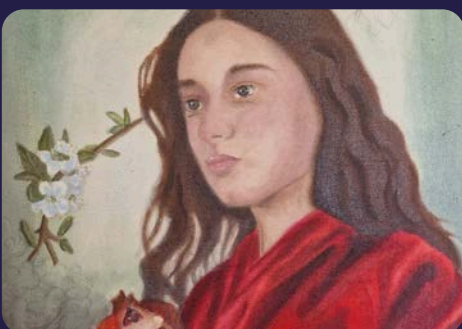

## Music Technology

Get hands-on with digital music production, mixing, and sound design. Perfect if you want to try making your own tracks or learn new tech skills.

## Textiles

Try out fashion and fabric-based projects while learning design and craft skills. A great way to get creative and make something unique.

## Art Club

Experiment with different art techniques and styles. This club is about being creative, having fun, and developing your artistic confidence.

### Creative Writing

If you like writing stories, poems or scripts, this club is for you. Share your ideas and develop your writing style in a friendly group.

### Knitting Club

Learn how to knit or work on your own projects in a relaxed setting. It's a fun way to be creative and make something by hand.

### Video Design

Plan, film, and edit your own video projects. You'll build creative and technical skills while making something to share.

### Shrek the Musical

Join the swamp! Calling all performers, singers, dancers, and dreamers. Don't miss your chance to join the magic of Shrek the Musical JR.

*This will require you to be dedicated and attend all rehearsals.*

### Warhammer

Build and paint Warhammer models, then use them in exciting tabletop battles. This club mixes creativity with strategy and fun.

# STEM

## Chess Club

Challenge yourself with strategy and problem-solving. Whether you're a beginner or advanced, this is a great way to sharpen your thinking skills.

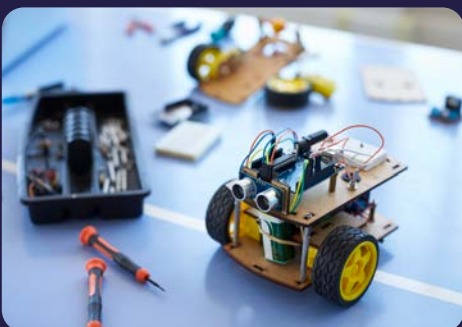

## Minecraft Club

Work together on creative building projects in Minecraft. A fun mix of imagination, teamwork, and digital design.

## Rubik's Cube Club

Learn how to solve the Rubik's Cube and even race against the clock. Great for developing memory, logic, and speed.

## STEM Club

Explore science, technology, engineering, and maths through hands-on projects. Perfect if you enjoy experiments and problem-solving.

# Sports & Fitness

## Walking Club

Enjoy fresh air and light exercise by walking with friends. This is a relaxed way to stay active, socialise, and enhance your wellbeing.

## Running Club

Train at your own pace and build up your fitness. A great way to challenge yourself and enjoy running.

## 10K Running Club

Work towards running longer distances and build stamina competitively. Improve your times and feel a real sense of achievement as your endurance grows.

## Squash

Join us for an exciting opportunity to learn a fast-paced sport under the mentorship of our England player, Mrs. Wallis. Set high goals and strive to compete in various competitions!

## Basketball League

Join training sessions and matches in a friendly league. Perfect if you enjoy teamwork and competitive sport.

### Football

Train, play, and develop your football skills with friends. A fun way to stay active and work as part of a team.

### Archery

Learn how to shoot with accuracy and focus. Archery is a unique sport that helps you develop patience and control.

### Badminton

Play singles or doubles and improve your skills in a fun environment. A great mix of fitness, speed, and teamwork.

### Rowing

Following our exciting new partnership with British Rowing, dive into dynamic training sessions both on rowing machines and out on the water to boost your strength and master your technique.

Experience expert coaching from Lincoln Rowing Centre, push your limits and discover the power of teamwork.

Junior and Senior performance squads only.

# Academic Enrichment

## Debating Club & English Speaking Union Competitions

Practice speaking and debating skills in a supportive group. You'll get the chance to enter competitions and build confidence.

## Great Debate – History Aspire

Explore big historical questions and join debates. A great way to stretch your thinking if you love history.

## Podcast

Create, record, and share podcasts about topics you care about. A fun way to practise communication and teamwork.

## Classics Club

Discover the ancient world through history, literature, and culture. Perfect if you're curious about Roman and Greek civilisation.

## Psychology Club

Explore fascinating questions about the human mind and behaviour. A great chance to try out psychology in a fun way.

# Sixth Form

## Leading in Lincolnshire Podcast

interview local leaders to hear their stories and discover what success means in different fields. Each week offers a new perspective on leadership and inspiration for your own future.

## Future Skills

This weekly session helps you get ready for life after school with practical guidance and support. You'll cover UCAS preparation, careers advice and personal development to set you up for the future.

## Sixth Form and Prep Mentoring

You will get the opportunity to visit our Preparatory school, working with small groups to support their literacy, numeracy skills. Along with supporting their transition to the Senior School.

# Community & Service

## Pride

A safe and supportive group celebrating diversity. Join if you want to help make school life inclusive for everyone.

## Duke of Edinburgh Award (D of E)

Take on exciting challenges that build your independence and confidence, from volunteering and skills to adventurous expeditions. Push yourself and achieve a nationally recognised award.

## Mandarin for Beginners and Chinese Culture

Learn basic Mandarin and explore Chinese traditions. A fun way to discover a new language and culture.

## Russian for Beginners

Try out the Russian language and learn about its culture. A chance to expand your global awareness.

## Dungeons and Dragons

Join friends in role-playing adventures and creative storytelling. A brilliant mix of imagination, problem-solving, and teamwork.

# Student Support

## Enhancement

Get dedicated help with your work. A great way to stay on track and feel supported.

*For Year 10-13 only.*

## Silent Study

A calm space to focus on homework, revision, or projects. Great if you want to work quietly and get things done.
