# WELCOME TO LINCOLN

Brimming with history and heritage,  
Lincoln is one of England's finest cities.

■ From the tip of the Cathedral to the depths of the Roman canal, Lincoln is full of fascinating stories just waiting to be discovered.

Packed with things to see and do, Lincoln has something for everyone. International Bomber Command Centre offers an insight into the county's rich aviation heritage, whilst Lincoln Castle showcases and celebrates our medieval roots. Families will enjoy exploring the fun-filled attractions - and foodies will love tucking into our famous Lincolnshire delicacies. The city is full of independent restaurants and bars so you will find plenty to sample!

This year, we will be joining the country in celebrating the Queen's Jubilee, so you can expect to see a fantastic variety of events taking place across the city. We will also be welcoming back the famous Lincolnshire Show, Steampunk Festival and of course, the Lincoln Christmas Market.

Looking ahead to 2022, we are excited to welcome visitors to our beautiful city once more.

With so much to enjoy – Lincoln is the perfect destination for all.

# EXPLORE A GREAT BRITISH SUMMER

This promises to be a spring and summer of celebration. Discover Lincoln through its iconic landmarks and at the same time delve into the city's legendary past.

Enjoy a feast of festivals at Lincoln Castle

■ Lincoln Castle will be hosting a wide schedule of events, celebrating the Platinum Jubilee as well as all that the city and county have to offer.

The programme will shine a light on the role that the Castle grounds have played over the past eighteen months as a safe, green space, with themes of community and connections.

There will be something for everyone with live music, food and drink, and family fun, incorporating bank holidays and key celebrations for a truly Great British summer.

The Great British Outdoor Picnic, 2nd June to 5th June, 10am-5pm will be the key celebration for the Queen's Jubilee. Lincoln Castle is the perfect backdrop to this great British tradition, and families and friends are welcome to come together to mark this historic occasion. The Castle grounds are free to enjoy over the bank holiday inclusive of the bandstand entertainment, all other admissions apply.

Socialise in the grounds during the summer Picnic Social, 23rd July to 7th August, 10am-5pm and treat yourself to some of

Lincolnshire's finest food and drink. A social summer gathering of the likeminded celebrating food, culture and community.

Of course, no trip to Lincoln would be complete without a visit to Lincoln Cathedral. Every year millions are drawn to this architectural wonder. The Lincoln Cathedral Connected project saw painstaking renovation and restoration of parts of the Cathedral which have opened new vistas, created stunning new spaces and a whole new visitor experience.

During your visit to the Cathedral don't forget to look out (and up) for the Lincoln Imp, a symbol of the city shrouded in myth. Legend has it that the Devil sent the imp to Lincoln to cause trouble, only for an angel to turn it to stone.

The imp isn't the only folk tale associated with Lincoln. Look out for events at the Castle exploring some of the fascinating myths and legends passed down through the ages.

# DISCOVER HISTORY THROUGH A DIFFERENT LENS

■ It's not just a sense of awe and wonder you feel when you step inside the sacred grounds of Lincoln Cathedral, but also one of stepping into a vivid past spanning over a thousand years of English history.

The Cathedral Connected £12m regeneration project, which was completed last year, included the building of a stunning new visitor centre as well as exhibition and education spaces which now bring that history to life like never before. Don't forget to download our augmented reality app ([visitlincoln.com/ar](https://visitlincoln.com/ar)) to get a deeper sense of life at the Cathedral and throughout the city.

Across the cobbled square from this Gothic masterpiece lies Lincoln Castle, where you can see one of only four copies of the renowned Magna Carta. It's back on view in March 2022 after its annual conservation rest period.

One of the best ways to explore the Castle is with a guided tour. The same goes for nearby Lincoln Guildhall, one of the most important late medieval gateways still standing in England. The award-winning Guildhall guides are enthusiastic and knowledgeable, sharing the fascinating past behind the treasures and regalia of the city.

Come and find out for yourself on these tours of discovery.

### GAINSBOROUGH OLD HALL

One of the best preserved medieval manor houses in the country. This little known gem has intricate links to the Mayflower Pilgrims and is an ideal starting point to re-trace the Lincolnshire connections to their journey.

### GUILDHALL AND STONEBOW

A 16th-century building which arches over the main High Street and has precious regalia on display, including the sword of Richard II, Mayor's Chains of Office and Mayor's posy ring.

### ROMAN TRAIL

Between AD50-60 a legionary fortress was built by the Romans in Lincoln and the city became known as Lindum Colonia. Follow the Roman Trail to see remains of this ancient city today. [visitlincoln.com/trails](http://visitlincoln.com/trails)

### LINCOLN CASTLE & MAGNA CARTA

See the iconic charter that changed the course of history. Lincoln Cathedral's most valuable treasure is housed in the purpose-built David PJ Ross Magna Carta Vault.

### THE COLLECTION

Find art and archaeology side by side within the county's Usher Gallery and award-winning Collection museum, where the year round programme of exhibitions and events will engage all ages.
