On A Level results day, Headmaster Mark Wallace said: “These excellent results reflect the hard work and commitment of a wonderful year group who threw themselves into all that Lincoln Minster School has to offer, and also the dedication, commitment and care of my colleagues who inspired and supported them throughout their A levels.

As ever, the most important thing to celebrate is not the overall headline figures, but the individual successes behind them and the journeys and outcomes that these grades enable. Once again, our pupils will all move on to a wide variety of different settings – some moving on to highly competitive school leaver programmes at Marks and Spencer and Aldi, others going on to Russell Group universities such as Leeds, Loughborough and Birmingham, and a whole range of diverse courses from Chemical Engineering to Photography to Architecture. We are proud of them all.
